

PILATUS AIRCRAFT LTD. CH-6371 STANS, SWITZERLAND

SERVICE LETTER

SUBJECT: L-3 COMMUNICATIONS AVIONICS SYSTEMS - SERVICE LETTER (SL) 10 (REV. M)

To all Customers, Operators and Service Centers:

Date: Dec 03/08

This Service Letter is issued to draw attention to the following vendor information:

GYRO HANDLING, STORAGE AND PACKAGING

L-3 Communications have issued SL-10 (Rev. M) to provide all service centers and operators information concerning gyro handling, storage, packaging and shipping.

The SL advises that electro-mechanical gyros are extremely delicate instruments and can be easily damaged by incorrect handling.

Pilatus recommends service centers and operators to read L-3 Communications SL-10 (Rev. M) to prevent damage to flight instruments which use electro-mechanical gyros.

Operators requiring further information on this subject, please contact one of the addresses given below:
